Hi Carl,

Kenneth and I took the first attempt at answering the questions posed by the City of Dallas and the Joppa Preserve community group. There are some added questions and answers that I added from my notes I took from the meeting Councilman Felder hosted. Please review for your final approval so we can send up to XA.

Thanks,

All,

I'm extending you invitations to our City Council meeting tomorrow at 9am. There is a resident on the agenda who will talk about Lane Plating. I'm prepared to answer questions on the City's behalf. It may be beneficial if someone from the EPA is in attendance.

Thank you,

Hello,

For your knowledge, I'm forwarding a list of citizen questions from our last Lane Plating meeting with the Joppa community. Some of the answers can be provided by other entities.

I have not heard from any citizens since our last meeting, but we will have at least one citizen speaking about Lane Plating at this week's City Council meeting (12/12).

Thanks,
